MEMORANDUM FOR: Assistant Director, Scientific Intelligence  
FROM: Office of Deputy Director (Plans)  
SUBJECT: AD/SI memorandum of 10 September 1951 on  
operational policy for the use of recording  
instrument

Mr. Winger raised the items mentioned in subject memorandum at the Director's conference this morning. The Director raised some question about the accuracy of the statement in paragraph 1 that 12 of the instruments are now under construction. The important thing, however, is that the Director approved the policy recommendations contained in paragraph 3, and I have advised [ ] of this.
